MR. KELCY KOGA
PRINCIPAL

September 25, 2020

To the Waiakea High School Community:

As our first quarter comes to a close, I want to thank our entire school community for your continued patience, hard work, and cooperation. Although we began the school year from a distance, we are united in our commitment to provide our Warriors with a quality education that they can be proud of.

Superintendent Dr. Christina Kishimoto recently announced that schools will use newly released guidance from the Hawaii State Department of Health (DOH) to plan appropriate learning models for the remainder of the academic year. As we plan to carefully phase in our students, our second quarter will continue with ***distance, stay at home learning***. We will continue to closely monitor COVID activity to ensure a safe and successful transition and communicate more details as we finalize plans.

We appreciate your support as we navigate through these uncertain times. If you have any questions or concerns, please contact school administration at 808-974-4888. For students who need assistance with connectivity or academic support, please contact their assigned School Counselor.

With Much Warrior Pride...

A handwritten signature in black ink, appearing to read "Kelcy Koga".

Mr. Kelcy Koga, Principal
